Xhibit meets the needs of exhibition & event organiser. We provide poster display systems, exhibition shell schemes and furniture rental.

We know that in our industry dependability in every aspect of what we do is vital. That is why our procedures & stock controls are fine-tuned to deliver & collect precisely what is wanted, exactly as expected.

It is the reason, too, that we are just as committed to the success of our clients' events as they are.

concept

Xhibit hold in stock the popular CLiP panel and pole display system. By using this versatile product with our individually developed 'poster feet', Xhibit can create a high quality and economic solution to your poster panel requirements.

All of our panels are available in a choice of either Royal Blue or Dove grey Velcro compatible loop nylon, to allow easy fixing, and with our poster display system's unique flexibility we can provide the poster panels in either landscape or portrait formats, and as single free standing panels or joined together in a long run, something very few of our competitors can offer.

The poster display system has a wide range of potential uses, which include;

Poster Displays

Temporary Room Divides

Information & Directional Sign Boards

Our friendly & helpful staff can deliver & collect your panels, and if required install them, all over the UK & Europe.
